

WINDOW WONDERLAND MAP

Welcome to Naunton Park Pre-School's Window Wonderland!

Children in Naunton Park have been busy creating some brilliant Christmas windows.

- We have created an online quiz for the children, with a question about each of the windows.
- We have also created a map of the window locations, shown overleaf, so you can go on a walking trail to visit them in person (don't worry —you don't have to visit all the windows to take part).
- Each window has been allocated a number on the map, which corresponds to the question number on the online quiz (e.g. question 1 on the quiz is about Window 1 on the map).
- You can continue to use this sheet until 30th December.
